新年快乐

我非常有幸能给大家送上最真挚的新年祝福，愿大家鼠年吉祥，万事如意

我们已经习惯于庆祝中国新年，来自各个种族，社区的人们都在热情洋溢地欢庆这一特殊的节日，在借此机会感谢中国社区为我们的生活带来的可喜的变化。

英国是一个自豪的民族，但她更以她对其他各个种族的理解，尊重，欣赏而骄傲。尽管我们拥有不同的文化背景和信仰，但是没有什么可以动摇我们的团结。

请允许我祝福您和您的家人在新的一年里阖家欢乐，幸福美满，兴旺发达。

Happy New Year

I am delighted to send my best wishes for the New Year, and for a successful Year of the Rat.

I know how popular and enjoyable Chinese New Year celebrations are for people from all communities. They give everyone the opportunity to celebrate the immense contribution which Chinese communities make to our national life.

Britain is rightly proud of our ethnically diverse society, and of our British identity and shared values. All of us – whatever our background or faith – have got far more that unites us than divides us.

May you and your families have a happy and prosperous New Year.
